

PayChoice ONLINE

The Ultimate in Convenience!

PayChoice ONLINE is a powerful web-based payroll solution designed to streamline payroll operations while enhancing flexibility, security, and control. This dynamic product enables you to maintain control of your payroll while providing the ultimate in convenience since you can enter payroll from any location with Internet access, at any time, day or night.

PayChoice ONLINE is easy to use with straight-forward screens to set up company information, employees, and associated payroll information. Helpful wizards ensure that all items are completed before payrolls are submitted for processing. In addition, on-line help is included on every screen to help you understand what to do each step of the way.

Using state-of-the-art web technologies, PayChoice ONLINE provides a secure solution that is completely automated. Through 128-bit encryption, secured socket layer (SSL) protection and the Verisign guarantee, your payroll data is transferred electronically via the Internet from you to us instantly.

But here's the best part of using PayChoice ONLINE.

You maintain control of your company's payroll data while utilizing our payroll expertise for the backend processing from ACH direct deposit to tax calculations and payment filing. We take care of the administrative burdens so that you can focus on your business. Upon receipt of your payroll data, you can receive live checks and payroll reports via the Web, through email or the old fashioned way by courier. It's that easy!

No software installation...no significant hardware investments...
on-line training and support...no reason to miss out.
